VTCA is pleased to offer an MSHA 8-Hour Refresher Training developed exclusively for the Aggregates Industry, as well as Contractors who work on mine sites.

The program is scheduled for November 16, 2007 in Richmond, VA at the VTCA Office.

The goal of this course is to provide the required MSHA annual refresher training, ***Part 46 and/or 48***, to those individuals that work on a mine site either as independent contractors or employees of mining operations. Site specific training remains the responsibility of the employer.

This is an excellent opportunity for your company to satisfy the training needs for some or all of your employees at one location and time!

**SEATING IS LIMITED**
